We continue to collect food and paper goods for the Hartland Food Pantry the first Sunday of the month. Cash donations are also welcome by using the envelopes in the pew racks. Be sure to write "Food Pantry" in the memo area of your check.

Donations of clothing, small toys and household items continue to be collected for Hebron House in Waukesha. Boxes located in our coat room may be used for your donations. These items help the tenants to begin a new life and your continued support of this project has been wonderful.

Our annual "Mitten Tree" collection in November had a generous response from the congregation. Much needed items such as socks, hats, mittens and scarves were donated to the Waukesha County Salvation Army and to Social Services of our county. These agencies can also use small size bottles of shampoo, soap and lotion that can be collected during your travels.

Thank you, our members and friends, for your ongoing and charitable support of our mission work here at Lake Country Congregational Church. We encourage you to submit your ideas, projects or missions that you feel would benefit from our generosity. We appreciate your suggestions.
